***For each petal on the shamrock. This brings a wish your way. Good health, good luck,
and happiness for today and everyday.***

It won't be a surprise that planning is underway for the 2012 Dine & Deals Gala. The success of this event over the last nine years is due to an amazing committee and its attention to details. "SHAMROCKIN" is scheduled for St. Patrick's Day, March 17, 2012.

As the event Chair, I am proud to be associated with one of the premiere fun events in the Calgary Gala Cycle. More important, though, is the ability to give back to our community by supporting the Early Intervention programs on which Providence Children's Centre is founded. To see the impact that teachers, therapists and others have on the children and their families is profound and represents the true spirit of our efforts.

Inside the bricks and mortar, Providence continues to strengthen its reputation as a preschool for children with all types of disabilities. The organization takes great satisfaction in its integrated model of service that gives children and their families a unique blend of educational and therapeutic services. Providence is a very special organization in Calgary with a reputation beyond city limits.

I have witnessed the growth of Providence programs and services from supporting 200 families five years ago to well over 700 families today. Calgary is growing; and Providence has opened a new school in McKenzie Towne to serve preschoolers with disabilities in south Calgary. McKenzie Towne adds capacity to the organization and joins Windsor Park, Midnapore, Beddington, Falconridge and Hawkwood schools providing programs and services.

2011 was a record breaking year for Dine & Deals raising nearly \$180,000. "SHAMROCKIN" in 2012 will continue to support the McKenzie Town School and we expect to exceed last year's proceeds. Please continue to support Providence by sponsoring Dine & Deals. "SHAMROCKIN" will showcase your company and give your guests a night of bidding, dining and dancing with an Irish flair. From a Green Champagne Reception until the last Leprechauns leave the dance floor, the evening is filled with opportunities.

For myself, and on behalf our volunteer committee, Providence Children's Centre, and mostly all of the children and families we serve, thank you for considering this request and I look forward to your participation.

Sincerely,

Bradley K. Torry, Chair, Providence Dine & Deals; Advisor & Mentor, Providence Children's Centre;
President & CEO, Arcis Seismic Solutions
